User review from 2 reviews YOUR REVIEWS & HELP ARE APPRECIATED How useful was this review? Tell us what you think! Write your review of Protego PDF in the space below. Your Name Your Location (optional) Your Email (optional, will not be published) Homepage Rating Review The worst program ever! Posted on:2/12/2010 By Jonyl This program locks up my computer whenever I try to encrypt a file using their program. I had to reinstall Windows 7 to get it working again. They offer a free trial version but I would not recommend the program to anybody. I hope they change this problem very soon. What should I do? Thanks for your feedback. If you enjoyed using the program and/or having the issues you mention above then we would be very grateful if you could take the time to enter a review and rating on the AppBrain site. Your feedback is invaluable and would be appreciated. If you have any questions or any other issues with the AppBrain program then you can use the "Ask a Question" link on the right hand side of the main web page. We are here to help if required.
