Sincerely, Sergio Morales (#MusicDudeEp) The video includes a playlist of all files that I have recorded using this plugin. They can be found in the directory "Sample" in the package. All files (tempo synced) from this playlist are for demo purposes only. You can use them as you wish, including commercial use. I would like to know what you think about this plugin and how useful it would be for you. Hello, I have released my first plugin (virtual bassist: https://www.musicdudeep.com/files/VirtualBassist_VBR_1.0.0.zip) and I would like to know if you can test and give me some feedback. Thanks! Sergio Morales (#MusicDudeEp) First version of Virtual Bassist released! https://www.musicdudeep.com/files/VirtualBassist_VBR_1.0.0.zip Virtual Bassist is a easy to use plugin for creating bass lines for your movie. A polyphonic imitation of the bass guitar: you just choose a free sample, set the tempo and the bass notes and the plugin creates it. Please use the Video Help Menu for more information. Many more features are planned in the future releases. Thanks for your time and support!
