September 8, 2018 - Once you thought it was safe to eat chicken again, chickens are back with an organized invasion to take over the entire sun... If you've ever been attacked by martens, you know it's not as easy as killing a few of them in a barn. When I was first in college, I had a few martens in the barn. And my friend also, that was like it.We tried to drive off the martens with some of the world's largest hunting dogs I've ever seen and a few small cats, which proved to be far more effective than the big cats.
